Dear Mr. Carey:

This is in response to your letter of June 2 about nuclear power. We appreciate your concerns and assure you that the NRC is making every effort to ensure the continued protection of the health and safety of the public at all nuclear power plants.

A handwritten signature in dark ink, appearing to read "Harold R. Denton", is written over the typed name and title.

Dear Mr. Benton,
Long before the near-catastrophe
at Three Mile Islands the N.R.C.
was warned by the Union of
Concerned Scientists and by
your own people of the dangers
there. The N.R.C. chose to ignore
these dangers.

The N.R.C. and the nuclear
