Dear Mr. Denton:

Enclosed herewith are five (5) copies of the Applicant's Safeguards Contingency Plan, Revision 1, dated August 1, 1979. This Plan was prepared in accordance with 10 CFR 73.55, Appendix C, "Licensee Safeguards Contingency Plans." It supersedes our submittal of March 23, 1979 (SNRC-369) and incorporates Company responses to the NRC Staff questions on the Shoreham Safeguards Contingency Plan addressed during the meetings held on May 16 and 17, 1979 and referenced in the letter from Mr. Steven A. Varga to Mr. Andrew W. Wofford dated June 14, 1979.

As the Safeguards Contingency Plan contains proprietary information, the Company requests, pursuant to 10 CFR 2.790 and 9.5, that the Contingency Plan be accorded proprietary status and not placed in the Public Document Room.

Please note that our attached return receipt letter requests that you acknowledge receipt of the enclosed controlled documents.
