Re: Peach Bottom Atomic Power Station Units 2 and 3  
Docket Nos. 50-277 and 50-278  
Physical Security Plan

Dear Dr. Denton:

Enclosed are five copies of the revised cover, a revised title page, and a revised page 16-1 which are to be inserted in the Peach Bottom Atomic Power Station Physical Security Plan dated May, 1978, and revised January, 1979 and February, 1979.

An explanation of the changes to Chapter 16 is provided in the enclosure to the letter. Additionally, the revised cover and title pages have been changed to reflect the assignment of new document control numbers to the copies of the Plan in your possession.

Since the revised Chapter 16 and the enclosed explanation of the changes contain information relating to the details of the physical security plan for a licensed
