Dear Ms. Nguyen,

As the Director of Diagnostic Imaging at Northwestern Medical Center, I am writing to provide official notice that we are requesting to amend our license to reflect the fact that our radiologist, Olga Lopatina MD, will be replacing David Gervais as the Radiation Safety Officer. As a board certified radiologist, Dr. Lopatina meets the requirements for RSO.

Dr. Lopatina's NPI number is [REDACTED] and our license number is 44-16669-02. Please also note that Dr. Lopatina should remain listed as an authorized user on our license. A copy of this letter will also be emailed to R1DNMSMail.Resource@nrc.gov.

Once again, I want to thank you very much for your help and guidance. Please let me know if you require any additional information.

Sincerely,

David Blin

Director of Laboratory Services
and Diagnostic Imaging
