Dear Sir:

Subject: Inservice Inspection Program - Request for Relief

Our letter, Reference (b), transmitted to you a copy of the Vermont Yankee Inservice Inspection relief request and related Inservice Inspection Program revisions. Since then, we have learned that page No. 1 of the Table of Contents included in the revision transmittal did not possess the most current information needed to reflect the latest relief request bases described in the program. Attached to this letter is the correct page No. 1. Please insert this copy in place of the Table of Contents Page No. 1 in the program.

Should you have any questions, please contact us.

Very truly yours,

VERMONT YANKEE NUCLEAR POWER CORPORATION
