Dear Sir:

Subject: License Fee for Proposed Change No. 74, Supplement No. 1

In your letter, Reference (b), you requested Vermont Yankee to submit within fifteen (15) days, a Class III fee of \$4000.00 for the licensing review of Proposed Change No. 74, Supplement No. 1. In Reference (c), we noted that due to discussions between our legal counsel and the Office of the Executive Legal Director, your request and the facts upon which you based your request were under legal review. Anticipating an expeditious completion of this review, we committed to respond on or before June 29, 1979.

Our legal counsel has recently informed us that review and resolution of this issue remains unsettled. For this reason, and until such time when resolution of this matter is reached, Vermont Yankee will be unable to respond to your request.

We will be pleased to discuss any questions you may have relative to this matter.

Very truly yours,

VERMONT YANKEE NUCLEAR POWER CORPORATION
