Dear Sir or Madam:

This is a request, under the Freedom of Information Act, for identification of and access to all NRC records concerning the nuclear power plant at North Anna, Virginia. This request includes, but is not limited to, all reports of NRC (or related) inspections of the plant, all emergency plans submitted to the NRC by the Virginia Emergency Planning Division, and all other reports or records dealing with the safety of the facility.

Pending identification of all the documents responsive to this request I shall not now specify all records of which I shall wish to obtain copies. In any event, I request a waiver of fees with regard to the production of these documents, this being a matter of vital public interest as you are of course aware.

I look forward to your response to this inquiry.

Very truly yours,
