Application for Construction Permits and Early Site Review

APPLICANT AGENCY: U.S. Nuclear Regulatory Commission

Address Washington, D. C. 20555

FEDERAL PROGRAM TITLE, AGENCY U.S. Nuclear Regulatory Commission  
AND CATALOG NUMBER:

#### AMOUNT OF FUNDS REQUESTED:

NA

#### PROJECT DESCRIPTION:

United States Nuclear Regulatory Commission, Docket Nos. S50-599 and S50-600, Commonwealth Edison Company, Interstate Power Company, Iowa-Illinois Gas and Electric Company, Notice of Docketing of Application for Construction Permits (Part I) and Early Site Review.

The State Clearinghouse makes the following disposition concerning this application:

- ☒ No Comment Necessary. The application must be submitted as received by the Clearinghouse with this form attached as evidence that the required review has been performed.
- ☐ Comments are Attached. The application must be submitted with this form plus the attached comments as evidence that the required review has been performed

#### STATE CLEARINGHOUSE COMMENTS:

The Iowa State Clearinghouse has not received comments from any agency on Commonwealth Edison's application for the permit to construct a nuclear power plant on a site in Carroll County, Illinois. As the site is near Iowa's borders it is requested that we be offered the opportunity to review and comment upon the Draft Environmental Impact Statement and that special attention be given to safety factors and equipment to be installed in the plant.
