Mr. Darrell G. Eisenhut, Acting Director
Division of Operating Reactors
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Eisenhut:

Reference: Enrico Fermi Atomic Power Plant - Unit 2
NRC Docket No. 50-341

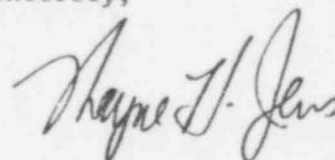

Subject: Physical Security Plan, Amendment 1

Please find attached five (5) copies of Amendment 1 to the Fermi 2 Physical Security Plan which was filed in January 1979 in compliance with 10 CFR 73 of the Commission's Rules and Regulations.

Amendment 1 addresses responses to questions submitted by the Reactor Safeguards Licensing Branch on April 13, 1979. These responses were also discussed with NRC at a site visit on May 11, 1979.

In accordance with the Commission's Rules of Practice, specifically Section 2.790 of 10 CFR Part 2 and Section 9.5 of 10 CFR Part 9, the Company hereby requests the attached copies of Amendment 1 to the Physical Security Plan be treated as proprietary and not be placed in the Public Document Room.

Sincerely,

WHJ/LES/RMB:lw

AFFIDAVIT IN SUPPORT OF REQUEST
FOR EXEMPTION FROM PUBLIC DISCLOSURE

STATE OF MICHIGAN)
) ss.
COUNTY OF WAYNE)

WAYNE H. JENS, being duly sworn, says:

1. I am the Assistant Vice President Engineering and Construction for The Detroit Edison Company. My office is located at 7000 Second Avenue, Detroit, Michigan 48226. I have the responsibility for the engineering and construction of the Enrico Fermi Atomic Power Plant Unit No. 2, including the review of the material contained in the "Physical Security Plan" for that plant. I make this Affidavit in support of The Detroit Edison Company's request for an exemption from public disclosure of "Amendment No. 1 to the Physical Security Plan under section 2.790 of 10CFR Part 2 and section 9.5 of 10CFR Part 9 of the Nuclear Regulatory Commission Rules of Practice.

2. The Detroit Edison Company makes this request for the following reasons:

A. "Amendment No. 1 to the Physical Security Plan" consists of confidential commercial information the contents of which have not been made available to the public for inspection by The Detroit Edison Company.

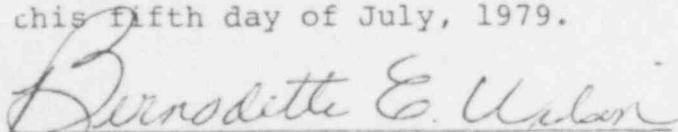

B. The material contained in "Amendment No. 1 to the Physical Security Plan" is of a nature customarily exempted from public disclosure;

C. The protection of the general public and of The Detroit Edison Company from theft, sabotage, or destruction of valuable Company property requires that the material contained within "Amendment No. 1 to the Physical Security Plan" be exempted from public disclosure.

Wayne H. Jens

Subscribed and sworn to before me
this fifth day of July, 1979.
