Re: In the Matter of Long Island Lighting Company
(Jamesport Nuclear Power Station, Units 1 & 2)
Docket Nos. 50-516 & 50-517

Gentlemen:

This is to advise that on May 8, 1979, the Suffolk County Legislature passed Resolution No. 1450-79, in which it opposed the granting of the construction permits sought by the Long Island Lighting Company for the Jamesport nuclear power station in both these and the New York State Siting Board proceedings (Case No. 80003). The vote was as follows: thirteen in favor, one opposed, three abstentions, and one absent. A copy of the resolution is enclosed.

Very truly yours,
