Docket Nos. 50-443 and 50-444

Dear Mr. Rubenstein:

Receipt is acknowledged on the 23rd of July, 1979, of your letter to Mr. Tallman in the above-entitled matter dealing with the subject of "request for financial information in addition to information enclosed with letters of April 23, 1979 and June 22, 1979".

In that letter you ask for additional responses by July 31, 1979. Please be advised that I will be coordinating the effort to obtain the information for you and on a quick review there is nothing in your request which requires lengthy studies or calculations. However, the mechanical problem of distributing your letter to 11 other companies and obtaining the necessary responses in sufficient numbers of copies to file is significant. Therefore, while every effort will be made to provide additional responses by July 31, 1979, I cannot guarantee that date.

Very truly yours,

Thomas G. Dignan, Jr.
