July 25, 1979

Docket Nos. 50-348 & 50-364
Evaluation of Management &
Technical Resources

Mr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Denton:

Per telephone conversation between K. A. Pikett and
W. P. Haass, Chief, Quality Assurance Branch of NRC on July 25, 1979,
Alabama Power Company was granted a two (2) week extension on the
Evaluation of Management and Technical Resources.

Alabama Power Company will submit its response by
August 13, 1979.

Yours very truly,

F. L. Clayton, Jr.
