Mr. Guy H. Cunningham, III
Assistant Chief Hearing Counsel
Office of the Secretary
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Cunningham:

I have just received the NRC staff response to a request from the State of Illinois to appear in the case Docket #S50-599, S50-600. As yet, I have not received from the NRC a copy of the original filing by the State of Illinois, and wonder if this is an oversight that may have occurred. If so, can your staff please handle that soon?

Sincerely,

James C. Schwab
