Docket No. 50-471

Dear Mr. Meyer:

As noted in response to interrogatory 39 contained in "Applicants' Answers to Interrogatories Pursuant to 10 C.F.R. §2.740b by the Commonwealth of Massachusetts Addressed to Boston Edison Company Concerning the 'Need for Power' Issue," which was served upon all parties on Monday, July 9, the nuclear fuel portion of that answer was not then available.

Attached is a supplemental response to that interrogatory containing the missing entries for nuclear fuel.

We apologise for any inconvenience that may have caused.

Very truly yours,
