Dear Mr. Miller:

As requested in your letter of July 30, 1979 to Mr. C. N. Dunn,
enclosed is the additional amount of \$2,800.00 for a Class III amendment.

A Class II fee did accompany our submittal of June 26, 1979 for review
and approval of Technical Specification Change Request No. 38. This
additional amount corrects the fee to a Class III.
