Changes and Justifications

Changed Technical Specifications (TS) Area	TS Page	Justification
Table 3	T-1	<p>For Table 3, there are a few editorial changes:</p> <ol style="list-style-type: none">1. The words "Heat Load" are removed.2. Superscript "2" is removed after the words "Peripheral Zone."3. Note 1 is revised to state "Figure 3 defines the compartments categorized as the inner and peripheral zones."4. The second sentence in Note 2 is deleted. <p>The Co-60 activity limits listed in this table are expressed as curies/zone, and these inner and peripheral zones are defined in Figure 3 and not in Figures 1A through 1I. This change is for clarification.</p>
