In the Matter of Mississippi
Power & Light Company (Grand
Gulf Nuclear Station, Unit Nos.
1 and 2) NRC Docket Nos. 50-
416 and 50-417.

Dear Mr. Conner:

Thank you for the copy of your letter of June 19, 1979, to the Director, Office of Nuclear Reactor Regulation, Nuclear Regulatory Commission, in the above-captioned proceeding. As you know, MEAM vigorously disputes many of the allegations which you assert in that letter. This will request, however, a copy of the information previously provided by MP&L to the NRC Staff by letters dated January 10, and March 12, 1979, to which you refer. Since you assert that the information provided therein "is dispositive of MEAM's allegations...", we would appreciate being advised of whatever new information may be contained therein not previously brought to our attention.

Yours very truly,

Robert C. McDiarmid
Attorney for Municipal Energy
Agency of Mississippi.
