Mr. Boyce H. Grier
Director, Region I
Office of Inspection and Enforcement
U. S. Nuclear Regulatory Commission
631 Park Avenue
King of Prussia, PA 19406

Dear Mr. Grier:

This is a supplementary response to NRC IE Bulletin No. 79-08. Response to the following question was requested within 30 days.

11. Propose changes, as required, to these Technical Specifications which must be modified as a result of your implementing the items above.

Response

At this point in our continuing review of items 6, 7, and 8, no Technical Specification changes are required or anticipated.

Should you have any questions or require additional information, please do not hesitate to contact us.

Very truly yours,

cc: U. S. Nuclear Regulatory Commission
