Secretary of the Commission  
Nuclear Regulatory Commission  
Washington, D. C. 20555  
Docketing and Service Branch

To Whom It May Concern:

The League of Women Voters of Illinois requests permission to make a limited appearance at the hearing to be held to consider Commonwealth Edison Company's application for construction permits and early site review on its proposed Carroll County, Illinois site for the location of a new two-unit nuclear power plant.

We would appreciate your providing us with any available information relating to the Com Ed petition in order that we might more adequately prepare our comments.

Sincerely,

A handwritten signature in cursive script, appearing to read "Joanna Hoelscher".
