for purposes of discovery.)

Gentlemen:

This is STEC/MEC's discovery report for the month of  
June 1979 in the above-referenced antitrust proceedings.

Undersigned counsel for STEC/MEC attended a conference  
of counsel in these proceedings on June 1, 1979 at the NRC's  
offices in Bethesda, Maryland.

In mid-June we received notification that application  
had been made by counsel for Houston Lighting and Power  
Company (HL&P) to the Licensing Board for issuance of sub-  
poenas compelling the attendance of Messrs. Robson and  
Gross, General Managers of STEC and MEC, respectively, at  
a deposition to be held in early September 1979, and the  
concurrent production of certain types of documents.

By letter dated June 25, 1979, STEC/MEC's Austin, Texas

counsel wrote to counsel for HL&P to suggest certain modifications to the deposition/document production procedures outlined by HL&P.

Other than the foregoing, STEC/MEC neither initiated nor received any discovery requests during the month of June 1979.
