Dear Sir:

Subject: Security Personnel Training and Qualification Plan

Enclosed for your review and approval is the Security Personnel Training and Qualification Plan for the Vermont Yankee Nuclear Facility. Submittal of this Plan is required pursuant to Appendix B to 10 CFR Part 73.

The enclosed Plan will be fully implemented within two years from the date of final NRC approval. Specifically within two years from approval, 1) tests/drills will be developed for each task shown on the Job Analysis Worksheets; 2) all individuals assigned to a given shift assignment will be qualified in all tasks shown on the Job Analysis Worksheets for that assignment; 3) each shift will have participated in at least eight team drills and; 4) all armed personnel will have qualified on the weapons courses described in part 3 of the plan.

The enclosed information is considered proprietary and shall be withheld from public disclosure pursuant to 10 CFR Part 2.790.

As required by 10 CFR Part 170, we have enclosed a fee in the amount of \$4,000.00 to cover the costs associated with the licensing review and approval of this plan.

Vermont Yankee Nuclear Power Corporation believes that the NRC revised fee schedule is illegal. We are aware that this fee schedule is being contested before the U. S. Court of Appeals for the Fifth Circuit and therefore submit the enclosed fee under protest without waiving our right to contest the validity of this fee or the entire NRC fee schedule, and without waiving any right to recover, in whole or in part, all fees paid or to be paid under the invalid fee schedule.

We trust this information is satisfactory; however, should you
