Re: Skagit Nuclear Project

Dear Mr. Black:

In the Staff's Evacuation Plan testimony, there is reference to the testimony of R. W. Houston, from the Northern State's Power Docket No. 50-484. Since the testimony in this docket appears to rely upon the Houston testimony, we would appreciate it if you could furnish us a copy of the Houston testimony for our review prior to the time that you offer any testimony on the evacuation plan issue.

You have also identified, as pertinent to the evacuation plan issue, three documents referred to in "Title List, Publicly Available Documents, Three-Mile Island Unit 2, Docket 50-320, cumulated to May 21, 1979" (NUREG-0568) as, respectively: Post Incident Document No. 7905160107, Notes Re: Emergency Planning And Evacuation, 79/03/31; Document No. 7904160050, together with a copy of the memorandum referred to therein: Document No. 7905090239, together with copies of the documents referred to therein.

Thank you for your cooperation in making this information available.

Yours truly,

ROGER M. LEED
