ADDITIONAL INFORMATION - BULLETINS & ORDERS TASK FORCE

Gentlemen:

On August 17, 1979, Mr. T. D. Keenan, Chairman of the General Electric BWR Owners Group on Bulletins and Orders transmitted to the Commission NEDE-24708, "Additional Information Required for NRC Staff Generic Report on BWR Reactors." This report responds to the short-term generic information request of the Bulletins and Orders Task Force. A later revision will include the remainder of the information, which is required to be provided by November 16, 1979. Please include NEDE-24708 on Dockets 50-321 and 50-366.

Very truly yours,

  
R. J. Kelly
