Sheldon Wolfe  
Atomic Safety and Licensing Board  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Wolfe,

As I live within fifty miles from the proposed Allen's Creek nuclear power plant and this is the first time I was aware of construction permit hearings, I want full intervener status.

I feel there is a real danger of radiation contamination to myself and others. There is absolutely no possible way I would be able to evacuate this city in time. I will forward my specific contentions when notified.

Cordially,  
*T.E. Elder*
