September 11, 1979

Mr. Olan D. Parr, Chief
Light Water Reactors Branch No. 3
Division of Project Management
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Re: Docket No. STN 50-482
Subj: Request for Additional Financial Information
on Kansas Electric Power Cooperative, Inc. -
Wolf Creek

Dear Mr. Parr:

I have your letter of August 27 relative to the above subject. Since some of these questions must be answered by others outside of our Company, I am unable at this time to give you a date for our response. I am hopeful that I will be able to give you our response date within the next few days, and will keep you informed.

Yours very truly,

Glenn L. Koester
