POOR ORIGINAL

22 July

To the Secretary of the Commission  
U.S. Nuclear Regulatory Commission

I would like to request an opportunity to make a limited appearance before the NRC Committee reviewing Virginia Electric and Power Company's spent fuel compaction request for its North Anna nuclear power plant. The hearing is in Charlottesville, Virginia from August 14-17. Docket #50-338SP and #50-339SP. Thank you.

Sincerely,
