Mr. George Kuzmycz
Project Manager, Special Projects
Division of Project Management
U. S. Nuclear Regulatory Commission
Washington, D.C. 20555

Docket No. 50-267

SUBJECT: Requests for Technical
Specification Changes

Dear Mr. Kuzmycz:

Attached is the list of outstanding letters and requests for Technical Specification changes. I realize that some items on this list will be included in Amendment 22, but they are included here for completeness.

If I can be of further assistance please contact me.

Very truly yours,

Don Warembourg
