Mr. James G. Keppler, Director
Region III
U.S. Nuclear Regulatory Commission
799 Roosevelt Road
Glen Ellyn, Illinois 60137

Subject: IE Bulletin 79-14, Phase 2 Inspection Report
Monticello Nuclear Generating Plant

Dear Mr. Keppler:

Enclosed are two (2) copies of NUTECH Report NSP-37-031, Revision 0, titled "IE Bulletin 79-14, Safety Related Piping Systems, Phase 2 Accessible Piping Inspection Report, Monticello Nuclear Generating Plant."

The document is being transmitted to you at the request of Northern States Power Company. Please call should you need additional copies of the Phase 2 Inspection Report.

Sincerely yours,

D. K. McWilliams

for A. B. Higginbotham, P.E.
Engineering Manager
