In the Matter of Puget Sound Power & Light Company, et al.
 (Skagit Nuclear Power Project, Units 1 and 2)
 Docket Nos. 50-522 and 50-523

Gentlemen:

Reference is made to Mr. Leed's letter of September 12, 1979 to Chairman Deale transmitting the affidavit of one Stensby, and to SCAMP's motion for reconsideration of September 27, 1979, which also relates to the Stensby affidavit. This is to assure the Board that we do indeed intend to respond to the Stensby affidavit. We had intended to file our response last week, but preparation of our brief in the state litigation and other matters made this impossible. We now expect to mail our response by no later than October 12.

Very truly yours,

PERKINS, COIE, STONE,
 OLSEN & WILLIAMS
