Docket No 50-289
(Restart)

Dear Sir:

I would like to make a request to make a limited appearance on behalf of myself and other citizens in the State of Delaware in regards to the Three Mile Island Unit-1 restart. During the Three Mile Island Unit-2 accident many of us in Delaware were put through the "mill" on what to do for our own safety and many of us had left "town", and upon our return had received condemnation, loss of salary, therefore, I request that I be permitted to give testimony in the matter of TMI Unit-1 start-up. If accepted Sir, please send me the necessary procedural material.

Sincerely,

Bernard J. August, Chairman
(C.A.A.P.)
