MRS. HELEN PADULA
2760 MELROSE AVE., WOODSTOCK, MD 21163

Aug. 6, 1979

Dear Senator Mathias:

It has come to my attention that the Nuclear Regulatory Commission is in process of authorizing a manufacturing license to Off-Shore Power Systems in Florida thru a Westinghouse Subsidiary.

I can imagine nothing more alarming than a nuclear power station at sea subject to all the hazards of that environment and ready to spill radiation into the ocean.

Would you inquire about this for me?

Sincerely,

Helen Padula
