Gentlemen:

My letter of July 30, 1979 to you stated that my client, Public Service Company of Oklahoma, would undertake to settle the controversy with MHB Technical Associates over the payment of costs and expenses associated with the taking of depositions in this proceeding. I am pleased to report that a settlement of the matter has been reached, and as the enclosed correspondence indicates the matter has been concluded.

Sincerely,

Joseph Gallo

Dear Joe:

Your letter of July 30 to the Licensing Board established the basis for a possible settlement of the PSO-MHB fee dispute. Accordingly, as I had agreed, I reviewed the matter and entered into negotiation with Mr. Minor of MHB.

The negotiations culminated with verbal agreement to settle for the sum of \$2800. Attached is my September 13 transmittal of a release, Mr. Minor's September 17 return of the executed release, and my September 21 transmittal of payment in full.

Please advise the Licensing Board of the settlement of this matter.

Very truly yours,
