CASE 80008

BRIEF IN SUPPORT OF DISMISSAL OF APPLICATION

The Town of Kinderhook recommends that the New Haven/Stuyvesant (NYSEG land 2) Nuclear Generating Facility Application be dismissed by the New York State Board on Electric Generation Siting and the Environment. We believe that the grounds for such dismissal have been thoroughly stated by Ecology Action of Oswego, and the Public Service Commission, in their recommendation to the Siting Board.

JULY 23, 1979

Respectfully submitted,

Anne P. Curtin, Representative for
the Town of Kinderhook
