Re: In the Matter of Commonwealth Edison Company  
(Braidwood Station, Units 1 and 2)  
Docket Nos. 50-456 and 50-457

Gentlemen:

Construction on Commonwealth Edison Company's Braidwood nuclear station was suspended on September 12, 1979, following a rate order issued on that date by the Illinois Commerce Commission on Commonwealth Edison Company's petition for interim rate relief. That order was affirmed after rehearing on October 12, 1979. At this time, Commonwealth Edison Company is not in a position to determine when construction will resume. We will advise this Board of any change in the current situation.

Sincerely,

ISHAM, LINCOLN & BEALE
