

SAFETY EVALUATION REPORT
Docket No. 71-9218
Model No. TRUPACT-II
Certificate of Compliance No. 9218
Revision No. 23

SUMMARY

By letter dated July 15, 2019, Nuclear Waste Partnership, LLC (NWP), requested renewal on behalf of the Department of Energy for Certificate of Compliance (CoC) No. 9218, for the Model No. TRUPACT-II transportation package. NWP did not request any changes to the package design or its authorized contents. The CoC has been renewed for a 5-year period.

EVALUATION

NWP requested renewal for the Model No. TRUPACT-II transportation package. The staff reviewed the documents referenced in the certificate and determined that the documentation was available and complete. The staff also reviewed the operating and maintenance procedures for the package and found them to be adequate. The staff revised the certificate of compliance to update the revision number, remove unnecessary change bars, make formatting changes and make editorial changes. Staff finds that the changes do not affect the ability of the package to meet the requirements of Title 10 of the *Code of Federal Regulations* (CFR) Part 71. The certificate has been renewed for a 5-year period.

CONDITIONS

The following changes have been made to the CoC:

Condition No. 13 has been revised to allow use of Revision 22 of the CoC for approximately one year.

Condition No. 14 was updated to reflect the new expiration date of September 30, 2024.

The references section has been updated to include this renewal request.

CONCLUSION

This change does not affect the ability of the package to meet the requirements of 10 CFR Part 71.

Issued with Certificate of Compliance No. 9218, Revision No. 23, on September 6, 2019.
