Mr. H.C. Hendrie  
Nuclear Regulatory Commission  
Washington, D.C.  
20055

Dear Mr. Hendrie:

As a private citizen of the state of Missouri, I want to express my urgent hope that you will see fit to support the view of the Missouri Public Service Commission to cancel the proposed construction of the second atomic energy plant in Calloway County, Missouri.

Sincerely,

A large, stylized handwritten signature of Robert A. Geller.
