Dear Dr. Denton:

Enclosed for filing with the Commission are three originals and 37 copies of Philadelphia Electric Company's Application for Amendment of Facility Operating Licenses DPR-44 and DPR-56. This Application requests changes to the Peach Bottom Units 2 and 3 Technical Specifications to reflect the removal of certain shock suppressors from each unit.

In accordance with Section 170.12 of the Commission's regulations, I am enclosing a check payable to the United States Nuclear Regulatory Commission in the amount of \$1,600 to cover the filing fee for this Application.

Very truly yours,
