Gentlemen:

Please find enclosed Five Resolutions that were passed and adopted by the Delegates at the recent 62d. Annual Indiana State Council of Carpenters of the United Brotherhood of Carpenters and Joiners of America, which was held in the Ramada Inn Spa in Evansville, Indiana during July of this Year.

We are also quite sure that they will be adopted at this Years State Building and Construction Trades Council Convention, which will be held in Clarksville, Indiana during October.

These conventions represent a very good cross section of State of Indiana's Building Tradesmen.

We are hopeful that these resolutions will be placed on your Favorable and Continue to build Nuclear Power House Agendas of your future meetings regarding Bailly and Marble Hill Projects in the State of Indiana.

Thanking you in advance, I remain for the Indiana State Council of Carpenters - UBCJA.

Sincerely yours,

George Tichac
