Dear Sir,

Please find enclosed our formal application for Major Participant Status before the U.S. Nuclear Regulatory Commission hearings on the matter of the Sedro Woolley Nuclear Power Reactors.

I trust the application is suitably prepared and that it meets the Commission's requirements. If there are any shortcomings we would be pleased to hear from you. Please also let us know of any additional information you may require as soon as possible.

We certainly hope you will consider our application favourably and will grant us the status we seek on behalf of our membership.
