Dear Mr. Rowbridge,

As I am petitioning to appear at the hearing into re-opening Unit 1 at TMI as only a "limited participant", then perhaps I will receive only a brief, or no, interrogatory. However, I'd like to present some ideas on the public safety, hopefully to be of some value in the continuing process of clean-up, decontamination, and waste disposal of Unit 2.

I am a property-owner and resident of Beech Island, just west of Three Mile Island and will be acting in the interest of Pa. residents of the area.

Sincerely,

John J. Crowley
