Re: Georgia Power Company, et al.
Docket Nos. 50-321-SP and 50-366-SP

Dear Mr. Grossman:

This letter will confirm my phone conversation of yesterday with Dr. Richard Cole.

Yesterday, a representative of Georgians Against Nuclear Energy and myself met with staff of the Nuclear Regulatory Commission to discuss this docket. As a consequence, GANE is satisfied that the staff will satisfactorily represent the interests of GANE and all its members in this proceeding. On behalf of GANE, I hereby withdraw its Petition for Leave to Intervene in this proceeding. It is my understanding that GANE must do nothing more to terminate its participation in this proceeding.

I appreciate the cooperation of the Commission in this matter.

Very truly yours,

Gary Flack
