**Re: Ceasing Principal Activities Under U.S. Nuclear Regulatory Commission
Materials License No. 06-30628-01
Achillion Pharmaceuticals, Inc. – 300 George Street, New Haven, CT**

To Whom It May Concern:

I am writing to inform you that Achillion Pharmaceuticals, Inc. ("Achillion") has decided to cease principal activities under U.S. Nuclear Regulatory Commission Materials License No. 06-30628-01 (the "Materials License") relating to the Achillion facility located at 300 George Street, New Haven, Connecticut 06511 (the "Site"). On or before November 30, 2019, we intend to decommission the Site with the intent of terminating the Materials License and requesting that the Site is released by the Commission for unrestricted use.

Should you have any questions regarding this notification, please contact our Radiation Safety Officer, Dr. Steven Podos at (203) 752-5458 or spodos@achillion.com.

Sincerely,

DocuSigned by:

(Notification)

This is to acknowledge receipt of your: ☒ Letter and/or ☐ Application Dated: August 30, 2019

The initial processing, which included an administrative review, has been performed.

☐ Amendment ☐ Termination ☐ New License ☐ Renewal

☒ There were no administrative omissions identified during our initial review.

☐ This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

☐ Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
Follow the instructions on the form for submission.

☐ The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
