FOLLOWUP REPORT ON POTENTIALLY REPORTABLE CONDITIONS
RELATIVE TO HIGH HEAD SAFETY INJECTION PUMPS UNDER
10CFR50.55e

Dear Mr. Hubacek:

On July 28, 1978, you were notified that Houston Lighting & Power Company (HL&P) considered certain conditions of High Head Safety Injection Pumps to be potentially reportable under 10CFR50.55e. A final review of the conditions of these pumps by our Incident Review Committee has determined that these conditions are not reportable under the criteria. The evaluation by the Incident Review Committee is available for your review during a future inspection.

If you have any questions or comments, please do not hesitate to contact me.

Very truly yours,

R. A. Frazar, Manager
Quality Assurance Department
