Dear Sir:

In response to your request of November 7, 1978 concerning our forecast of reactor license applications, I wish to report that we have no plans at this time for nuclear units other than NEP 1 & 2 (Docket Nos. STN 50-568 and STN 50-569).

<sup>A</sup>  
The scheduled construction completion dates for these units are November 1, 1986 and November 1, 1988 respectively. These dates are based on receiving a construction permit by November 1, 1979.

Very truly yours,
