Re: Houston Lighting and Power Co., et al.
(South Texas Project Units No. 1 and 2),
NRC Docket Nos. 50-498A and 50-499A

Gentlemen:

Enclosed is a copy of the Initial Interrogatories to and First Request for Production of Documents by Central Power & Light Company from the Public Utilities Board of the City of Brownsville, Texas, in Houston Lighting and Power Company et al. (South Texas Project, Units No. 1 and 2), NRC Docket Nos. 50-498A and 50-499A.

You will note that many of the questions and requests in this documents require information for all of the Central & South West companies. It is our belief that under the applicable regulations CP&L should obtain from its affiliated companies whatever information is necessary to a complete response. We will be glad to discuss with you any alternative method you may propose for obtaining this information. In any event, we would appreciate your proceeding to respond fully as soon as possible to all questions insofar as they relate to information about CP&L, or information in the possession of CP&L.

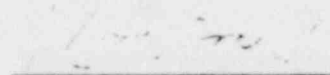

In drafting these requests we have tried to take account of the voluminous production that has already occurred in related cases, so as to avoid duplicative

requests. Should you feel that a particular request covers the same ground as one to which CP&L has previously responded, please telephone us to discuss the problem. We would also be glad to answer any other questions you may have about any part of this request.

Very truly yours,

Robert C. McDiarmid
