

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

September 20, 2019

OFFICE OF THE  
SECRETARY

Ms. Mary Anne Heino  
President and Chief Executive Officer  
Lantheus Medical Imaging  
331 Treble Cove Road  
North Billerica, MA 01862

Dear Ms. Heino:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to your letter of September 6, 2019, to Chairman Svinicki regarding the Export License Application of the U.S. Department of Energy (DOE) (Docket No. 11006361). In your letter, you express support for the application and recommend its approval.

Because your letter bears on an adjudication pending before the Commission, it would be inappropriate for the Chairman to discuss the matter at this time. This is because the Commission must remain impartial during the pendency of the adjudication.

A copy of your letter and this response will be served on the participants in the DOE Export License Application proceeding.

Sincerely,

A handwritten signature in blue ink, reading "Denise L. McGovern", is written over a horizontal line.

Denise L. McGovern  
Acting Secretary
