Re: Houston Lighting & Power Co., et al.
(South Texas Units No. 1 & No. 2)
NRC Docket Nos. 50-498A, 50-499A

Dear Mr. Balough:

Enclosed is a copy of the Initial Interrogatories to and First Request for Production of Documents by the City of Austin, Texas, from the Public Utilities Board of the City of Brownsville, Texas, in Houston Lighting & Power Co., et al., (South Texas Units No. 1 & No. 2), NRC Docket Nos. 50-498A, 50-499A.

You will also find enclosed copies of interrogatories and document requests by the Public Utilities Board of the City of Brownsville, Texas to other parties in the South Texas proceeding.

In drafting these requests we have tried to take account of the production that has already occurred in this and related cases, so as to avoid duplicative requests. Should you feel that a particular request covers the same ground as one to which Austin has previously responded, please telephone me to discuss the problem. I would also be glad to answer any other questions you may have about any part of this request.

Very truly yours,

Marc Poirier
