Subject: [External_Sender] our phone conversation today

In reference to paragraph five of our amendment (21-03039-01) request of August 26, 2019, the table listing Surface Moisture Density Gauge, we would like to retain Troxler Model 3400 Series. The amendment letter contains a typing error that indicates Troxler Model 3440 rather than Troxler Model 3400. The amendment should have specified Troxler Model 3400 Series.
