Notice

The claim that \$100. Million dollar settlement cant be awarded to a small disadvantage business is a fraudulent misrepresentation.

The damages must be awarded to the small business/victim .

The activities that took place have caused a permanent life changing negative effect and the \$100. Million dollar settlement will only be a fraction of what should rightfully be awarded to the service provider due to the circumstances.

This is an attempt to collect damages courts awarded to Small Business and were wrongfully taken away due to fraudulent misrepresentation. The noticable amount of \$100 million dollars is being requested.

Atomic energy act of 1954 causes long term psychological distress.

In good faith
