380 Lilac Drive
 Los Osos, CA, 93402

Email: Mustang09Man@gmail.com

Submitter's Representative: Congressman Salud Carbajal

Government Agency Type: U.S. House of Representatives

General Comment

We must keep our nuclear safety standards intact for our environment, economy and public safety. My home is within 5 miles of a nuclear reactor and my families safety is a huge factor, don't cut these standards and endanger lives! Furthermore, our environment in this area of the central coast of California is very beautiful and it could be ruined forever. Don't let this happen!
